#### **FIRE AT 6400 WOODWAY (Oct. 10, 2005)**

On October 10, 2005, HFD responded to a building fire on 6400 Woodway at 11:38 a.m. First arriving companies found smoke coming from a two story structure. The fire was contained to one building with most of the fire damage contained to a kitchen/hallway area and smoke damage to several rooms. There were no reported injuries.

HFD Arson has determined the cause of the fire to be accidental due to an unspecified electrical malfunction.
